CYBER SECURITY PROGRAM Columbus, Ohio

Offering reimbursement for select certifications!

CYBER SECURITY ENGINEER | THREAT HUNTER | INCIDENT RESPONSE CYBER ANALYST

Markesman Group has some new opportunities on the forefront supporting our Cyber Security Program in Columbus, OH.

We have positions ranging from Cyber Security Engineers, Threat Hunters, and Incident Response Cyber Analysts. These individuals will help support a full range of IT services, technical and management expertise that support applications, software, hardware, infrastructure, and systems, across the DLA IT Enterprise global networks. This is an exciting time for Markesman to continue to grow and support the Cyber Program for the Defense Logistics Agency (DLA).

INCENTIVES:

As an incentive, we are offering a \$2,000 referral bonus for every candidate a Markesman employee refers to the CTS, CERTS, or CSSP Analysis program. We are also offering reimbursement for certain certifications required for the Cyber Analyst, Cyber Security Engineer, and Threat Hunter positions.

This is an ideal time to join our team and to have the opportunity to [#makeyourmarke](#)
